

Swordbearer Spotlight

May 4th will be one of the days remembered by our CBS students. This is the day of our annual Swordbearers' Carnival. This night of fun will include food, games (including individual class booths and moonwalk, dunk tank, etc.) a cakewalk, the General Store and other fun events. All of the fun begins at 5:00 p.m. and ends at 8:30 p.m. Your participation in this event is all done with tickets. These tickets will be 5 for a dollar and 4 for a dollar at the carnival.

This year's theme is built around a "Cirque de Central" (circus), and all events and food will carry out that theme. Your help would be appreciated as a volunteer to help run a booth (you may be contacted by the mom or parents in charge of your class event). Thanks to those of you who have already donated canned goods for our country store. Parents will especially enjoy this booth!!! We

will be providing prizes for each booth event so all come away a winner. We are requesting that each student send in \$1.00 to help in this area of the carnival preparations. We are also looking for "a few good cakes" for our cakewalk. If you would be willing to help, please call Willa Hulsey at 386-8161

The Swordbearers will be raising funds to assist with this year's projects - - - one of which is the upgrading of the playground.
